Dear Sir/Madam,

The Doe Run Company is in the process of finalizing its plan for completing the soil replacement and subsequent house cleaning work for the year 2002 as required by the Agreement on Consent (AOC). Previously, you should have received form letters from us to either refuse soil replacement or grant access to your property to perform the work. To date we have received neither a refusal nor permission to proceed with the work required by the AOC. Due to time constraints, if we do not receive from you either the "REFUSAL OF ACCESS TO PERFORM WORK" or "AUTHORIZATION TO PERFORM WORK OWNER'S PERMISSION" by October 30, 2002, we will interpret no response as a refusal. You may mail your responses to:

The Doe Run Company
Environmental Department
881 Main Street
Herculaneum, MO 63048

or you may drop them off here at our offices 7 am to 3:30 pm or at our security office across the street at the plant's main entrance 24 hours a day.

In the event that you recently mailed your response, we would still appreciate you responding again in writing at this point to confirm your wishes. Thank you for your cooperation. Should you have any questions please call me at 636-933-3143.

Sincerely,

Jim Lanzafame
Environmental Manager
